

Hello Food Elves!

Don't forget to send a personal note thanking your neighbors, family, and friends for their donations. Acknowledging their gift shows your appreciation and encourages continued support of the Pantry.

You can print out these thank you postcards to leave behind when you pick up the donation checks from your neighbors.

There are 2 per page. Simply print the amount you need, customize with a handwritten personal note, and sign your name!

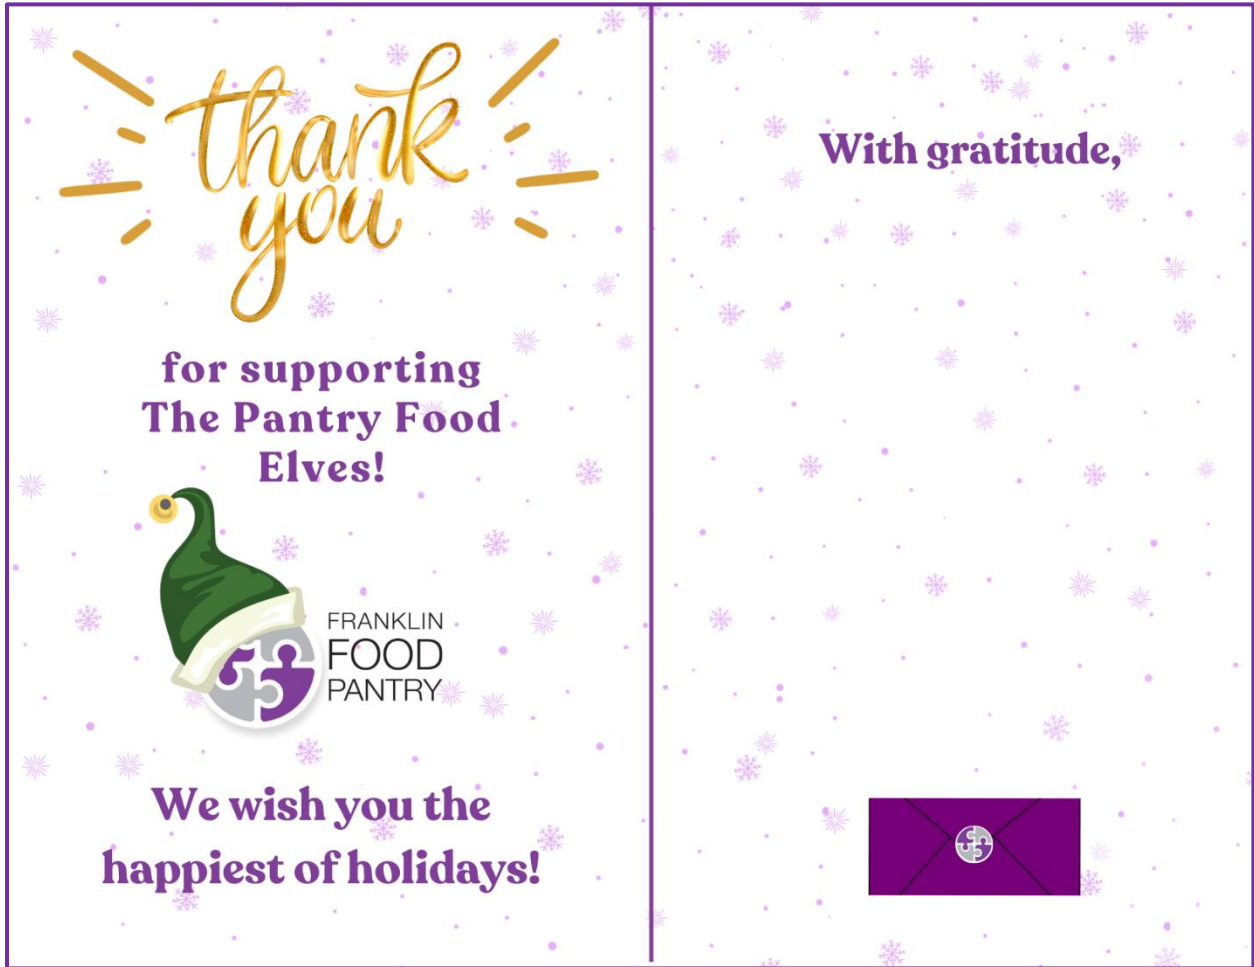

For online donations, you can email a note of thanks when you are notified of the gift. Here is some sample language to use for your email but feel free to use your own words!

Dear (name of donor),

Thank you for supporting our Food Elves Campaign and the Franklin Food Pantry! Your gift will make it possible for the Pantry to purchase fresh food and other essentials that are desperately needed for the Pantry's clients. It has meant a lot to me to be able to help people in need in our own community, especially this holiday season. Your gift will help make a difference for the nearly 1,300 people who count on the Pantry.

Thank you!
