Why The Pantry?

Demand for The Pantry's programs and services have never been greater - and we foresee this demand continuing well into the future.

For almost four decades, The Pantry has been there when community members needed us most, meeting basic needs and offering hope for a brighter future.

Your legacy gift will provide food, hope, and stability for families facing hardship long after your lifetime.

Your Legacy Gift

Your legacy gift can be as simple as a percentage or fixed amount of your estate, stated in your will.

For more complicated estate planning information, please consult with your trusted tax and legal advisors.

In A Donor's Words

"As much as I would like to see the eradication of food insecurity, it is likely to continue for years to come. I am fortunate to have seen firsthand the value that The Pantry brings to our community and the excellent stewards they are of donations.

It is with heartfelt gratitude for those services that I leave funds to help benefit others in the future."

- A Pantry Volunteer
